

Seamless collaboration for today's learning spaces

THE INTEL UNITE® SOLUTION

Share content, facilitate student engagement, and increase collaboration—it's all easy and possible with the Intel Unite® solution

INNOVATION DESIGNED FOR TEACHING AND LEARNING

Share content seamlessly and wirelessly on any screen or device

Display up to four presentations simultaneously for collaborative learning

Easily annotate content to increase engagement and understanding

Moderate collaboration sessions with built-in controls for teachers

Create a simple yet secure connection for teachers and students with flexible PIN

IT SIMPLIFIED

Centrally deploy, customize, and manage the Intel Unite solution through the Intel Unite admin portal

Help secure content shared on Intel Unite with end-to-end encryption

Access near-real-time data for tracking and insight on classroom usage

Help lower costs with a scalable solution that has no recurring monthly or annual license fees

Leverage your reliable existing infrastructure and customize the interface for your school and classrooms

A SIMPLER WAY TO CREATE A RICH, ACTIVE LEARNING EXPERIENCE

Now there's one collaboration solution for a breadth of devices, operating systems, and many education plugins.

FlatFrog*

Touch screen displays and smartboards
